what's possible

SUN COMMUNITY

*Shine On!*

Sun Community Federal Credit Union celebrated its 70th anniversary in 2024, having been founded in 1954 in El Centro, CA. Originally established to serve local educators, it has grown to support over 50,000 members who live, work, or worship across the Imperial and Coachella Valleys.

Today, Sun Community is one largest locally owned financial institutions, with over eight branches, including two conveniently located in Indio and Palm Springs along with two upcoming new locations in Cathedral City and Coachella. SUN also boasts a consumer and commercial loan center and a vast network of ATMs throughout Southern California. The credit union manages total assets exceeding \$775 million, continuing its mission to provide exceptional financial services to the communities it serves.
