Acknowledgments

SECTION I: SUMMARY

SECTION II: CONTEXT

Chapter I: Introduction

A. What is a Specific Plan?	1-3
B. Regulatory Authority	1-3
C. North City Specific Plan Area.....	1-3
D. Purpose and Objectives of the Specific Plan	1-3
E. Applicability and Conformity of Development.....	1-5
F. Relationship to the General Plan	1-6
G. Relationship to the Zoning Ordinance	1-6
H. Relationship to the Recently Annexed Areas	1-7
I. Relationship to the Redevelopment Project Area	1-7
J. Relationship to the Agua Caliente Reservation Land.....	1-7
K. Relationship to the Coachella Valley Multiple Species Habitat Conservation Plan (MSHCP).....	1-8
L. Relationship to the California Environmental Quality Act (CEQA).....	1-10
M. Community Participation	1-10
N. Support Documents.....	1-11

Chapter 2: Existing Conditions

A. Regional and City Context	2-3
B. Current Setting	2-4
1. Existing Land Use.....	2-4
2. Climate and Landscape	2-5
C. Ownership Patterns	2-6

Chapter 3: Vision, Goals and Policies

A. Vision	3-3
B. Goals and Policies.....	3-4
1. Land Use	3-4

2. Economic Development	3-8
3. Open Space and Natural Resources.....	3-9
4. Circulation	3-12
5. Parking	3-14
6. Infrastructure	3-15

SECTION III: PUBLIC IMPROVEMENTS

Chapter 4: Open Space and the Environment

A. Introduction.....	4-3
B. Environmental Setting	4-3
1. Topography.....	4-3
2. Climate Considerations.....	4-4
3. Connections to the Rest of the City.....	4-4
4. Parks.....	4-4
5. MSHCP Conservation Area.....	4-4
C. Open Space Framework.....	4-6
1. MSHCP Conservation Area.....	4-6
2. Sustainable Site Design.....	4-8
3. Overall Landscape Design Theme.....	4-8
D. Open Space Elements.....	4-9
1. View Corridors.....	4-9
2. Drainage Courses.....	4-10
3. Water Features.....	4-11
4. Parks and Open Space	4-11
5. Bikeways and Trails.....	4-13
6. Parkway along Interstate 10	4-14
7. Gateways and Entryways.....	4-15
8. Development Buffer Edges.....	4-19

Chapter 5: Circulation and Streetscape Improvements

A. Introduction.....	5-3
B. Existing Roadways.....	5-3
C. Planned Regional Roadway Improvements	5-5
D. Circulation Network.....	5-6
E. Recommended Street Improvements	5-10
1. Palm Drive	5-12
2. Date Palm Drive	5-13
3. Valley Center Boulevard.....	5-14
4. Varner Road	5-16

5. Mountain View Road.....	5-18
6. Edom Hill Road	5-19
7. DaVall Drive.....	5-20
8. Landau Boulevard	5-21
9. North City Collector.....	5-22
10. North City Local Street.....	5-23
F. General Design Guidelines for Public Rights-of-Way	5-24
1. Street Design	5-24
2. Street Trees and Planting.....	5-24
3. Streetscape Amenities	5-25
G. Bikeway and Trail Network.....	5-28
H. Parkway along Interstate 10.....	5-31
I. Trucking and Goods Movement	5-33
J. Public Transit	5-33
1. Existing Services	5-33
2. Proposed Improvements.....	5-33
K. Transportation Demand Management and Transportation System Management	5-34
L. Parking Management.....	5-35
1. Private Parking Provisions.....	5-35
2. Shared Parking.....	5-35
3. Other Parking Strategies.....	5-35

Chapter 6: Infrastructure Improvements

A. Introduction	6-3
B. Sustainability.....	6-3
C. Water System.....	6-4
1. Existing Conditions	6-4
2. Recommendations.....	6-4
D. Sewer System.....	6-6
1. Existing Conditions	6-6
2. Recommendations.....	6-7
E. Storm Drain System.....	6-7
1. Existing Conditions	6-7
2. Recommendations.....	6-8
F. Electrical System	6-10
1. Existing Conditions	6-10
2. Recommendations.....	6-11
G. Gas Systems	6-12
1. Existing Conditions	6-12

**TABLE OF
CONTENTS**

2. Recommendations	6-12
H. Telecommunications System	6-12
1. Existing Conditions.....	6-12
2. Recommendations	6-14
I. Cable Television Systems	6-14
1. Existing Conditions.....	6-14
2. Recommendations	6-15

SECTION IV: PRIVATE DEVELOPMENT

Chapter 7: Establishment of Specific Plan Zoning Districts

A. Introduction.....	7-3
B. Specific Plan Districts	7-3
C. Zoning within the MSHCP Conservation Area	7-6
1. Intent.....	7-6
2. Conservation Target	7-6
3. Preferred Development Areas.....	7-6
4. Development Rights	7-7
D. Watercourses within the Specific Plan Area	7-8
1. Intent.....	7-8
2. Responsible Agencies	7-8
3. Additional Permitting Agencies.....	7-8
E. Hillside Overlay (-HO) District	7-10
1. Intent.....	7-10
2. Hillside Overlay Boundary	7-10
3. Ridgelines	7-12
4. Building and Height Development Regulations	7-12
5. Submittal Requirements.....	7-14
6. Exemptions for Certain Projects.....	7-14

Chapter 8: Mixed Use-Urban (MU-U) District

A. Intended Character.....	8-3
B. Definitions.....	8-3
C. Mixed Use Flex Boundary	8-7
D. Use Regulations	8-7
1. Permitted and Conditionally Permitted Uses.....	8-7
2. Prohibited Uses	8-7
E. Mixed Use and Commercial Development Standards	8-10
1. Requirement for Commercial Component	8-10
2. Development Project FAR and Density.....	8-10

3. Minimum Development Project and Individual Lot Size and Dimensions	8-10
4. Maximum Building Height	8-11
5. Setbacks	8-13
6. Distance between Buildings.....	8-14
7. Parking and Loading.....	8-14
8. Standards for Vertical Mixed Use Buildings	8-14
9. Standards for Live/Work Units	8-15
10. Performance Standards	8-15
11. Additional Standards and Guidelines.....	8-16
F. Multi-Family Residential Development Standards.....	8-16
1. Density	8-16
2. Minimum Development Project and Individual Lot Size and Dimensions	8-16
3. Maximum Building Height.....	8-16
4. Minimum Dwelling Size	8-16
5. Maximum Residential Lot Coverage	8-16
6. Setbacks	8-17
7. Distance between Buildings.....	8-17
8. Open Space	8-17
9. Parking and Loading.....	8-18
10. Bicycle Parking and Storage Areas.....	8-18
11. Performance Standards	8-19
12. Additional Standards and Guidelines.....	8-20

Chapter 9: Mixed Use-Neighborhood (MU-N) District

A. Intended Character	9-3
B. Definitions	9-3
C. Mixed Use Flex Boundary.....	9-6
D. Use Regulations.....	9-6
1. Permitted and Conditionally Permitted Uses	9-6
2. Prohibited Uses	9-6
E. Mixed Use Development Standards.....	9-9
1. Requirement for Residential Component.....	9-9
2. Development Project FAR and Density	9-9
3. Minimum Development Project and Individual Lot Size and Dimensions	9-9
4. Maximum Building Height.....	9-10
5. Setbacks	9-10
6. Parking and Loading.....	9-10
7. Standards for Vertical Mixed Use Buildings	9-11

**TABLE OF
CONTENTS**

8. Standards for Live/Work Units.....	9-12
9. Performance Standards.....	9-12
11. Additional Standards and Guidelines.....	9-12
F. Single Family Residential Development Standards	9-12
1. Density.....	9-12
2. Minimum Development Project and Individual Lot Size and Dimensions.....	9-12
3. Maximum Building Height	9-13
4. Minimum Dwelling Size.....	9-13
5. Maximum Residential Lot Coverage.....	9-13
6. Setbacks.....	9-13
7. Open Space.....	9-15
8. Parking and Loading.....	9-15
9. Performance Standards.....	9-15
10. Additional Standards and Guidelines.....	9-15
G. Rowhouse Development Standards.....	9-16
1. Density.....	9-16
2. Minimum Development Project and Individual Lot Size and Dimensions.....	9-16
3. Maximum Building Height	9-16
4. Minimum Dwelling Size.....	9-16
5. Maximum Residential Lot Coverage.....	9-16
6. Setbacks.....	9-17
7. Open Space.....	9-17
8. Parking and Loading.....	9-18
9. Performance Standards.....	9-18
10. Additional Standards and Guidelines.....	9-18
H. Multi-Family Residential Development Standards	9-18
1. Density.....	9-18
2. Minimum Development Project and Individual Lot Size and Dimensions.....	9-19
3. Maximum Building Height	9-19
4. Minimum Dwelling Size.....	9-19
5. Maximum Residential Lot Coverage.....	9-19
6. Setbacks.....	9-19
7. Distance between Buildings.....	9-19
8. Open Space.....	9-20
9. Parking and Loading.....	9-20
10. Bicycle Parking and Storage Areas	9-21
11. Performance Standards.....	9-21
12. Additional Standards and Guidelines.....	9-21

Chapter 10: Business Park (BP) District

A. Intended Character	10-3
B. Definitions	10-4
C. Use Regulations.....	10-4
1. Permitted and Conditionally Permitted Uses	10-4
2. Prohibited Uses	10-4
D. Development Standards.....	10-7
1. Minimum Development Project and Individual Lot Size and Dimensions	10-7
2. Maximum Gross Floor Area Ratio	10-8
3. Maximum Building Height.....	10-8
4. Setbacks	10-8
5. Parking and Loading.....	10-8
6. Performance Standards	10-9
7. Additional Standards and Guidelines.....	10-9

Chapter 11: Edom Hill – Light Industrial (EH-LI) District

A. Intended Character	11-3
B. Definitions	11-4
C. Use Regulations.....	11-4
1. Permitted and Conditionally Permitted Uses	11-4
2. Prohibited Uses	11-4
D. Development Standards.....	11-6
1. Minimum Development Project and Individual Lot Size and Dimensions	11-6
2. Maximum Gross Floor Area Ratio	11-6
3. Maximum Building Height.....	11-6
4. Setbacks	11-6
5. Parking and Loading.....	11-7
6. Performance Standards	11-7
7. Additional Standards and Guidelines.....	11-7

Chapter 12: Design Standards and Guidelines

A. Introduction	12-3
B. Design Standards and Guidelines for Mixed Use, Commercial and Industrial Uses	12-4
1. “Desert Oasis” Theme	12-4
2. Site Layout.....	12-5
3. Site Circulation and Parking	12-6
4. Massing, Form and Scale.....	12-7
5. Building Façade and Elevation Design	12-9

**TABLE OF
CONTENTS**

6. Building Elements	12-11
7. Building Entries	12-12
8. Architectural Style	12-12
9. Building Materials and Colors	12-13
10. Open Space, Plazas and Courtyards.....	12-13
11. Setback Landscaping	12-14
12. Parking Lot Landscaping.....	12-15
13. Walls and Fences.....	12-17
14. Site and Architectural Lighting.....	12-17
15. Outdoor Displays and Storage, Equipment and Work Areas.....	12-18
16. Trash Collection Areas.....	12-18
17. Mechanical Equipment Screening.....	12-19
18. Interface between Non-Residential and Residential Uses.....	12-19
19. Vertical Mixed Use Buildings - Additional Standards and Guidelines	12-20
20. Industrial Uses - Additional Standards and Guidelines.....	12-21
C. Design Standards and Guidelines for Residential Uses	12-23
1. Preservation of Natural Site Features.....	12-23
2. Site Layout	12-23
3. Building Design.....	12-24
4. Common Open Space Areas.....	12-25
5. Single Family Garage Placement and Design	12-26
6. Multi-family Parking Lot Landscaping.....	12-27
7. Setback Landscaping	12-27
8. Walls, Fences and Hedges.....	12-28
9. Site and Architectural Lighting.....	12-29
10. Trash Collection Areas.....	12-30
11. Mechanical Equipment Screening.....	12-30
D. General Landscape Design Standards and Guidelines	12-31
1. Landscape Design Intent.....	12-31
2. Plant Materials.....	12-32
3. Hardscape Materials	12-37
4. Landscape Irrigation and Maintenance	12-37
5. Storm Water Management	12-38
6. Grading Standards and Guidelines	12-38
7. Screening of Wind Turbines, and Utility Transmission Towers and Lines.....	12-39
8. Windscreens and Blow Sand Protection.....	12-39
9. MSHCP Area Landscape Guidelines	12-40

SECTION V: IMPLEMENTATION

Chapter 13: Specific Plan Administration

A. General Provisions	13-3
1. Responsibility	13-3
2. Land Uses Not Listed	13-3
3. Development Regulations and Standards Not Listed	13-3
4. Application of City-wide Performance Standards.....	13-4
5. Interpretation	13-4
6. District Boundary Adjustments.....	13-4
7. Severability	13-4
8. Nonconforming Uses.....	13-5
9. Approval Process.....	13-5
B. Application of the CEQA Process (Program EIR)	13-5
1. Development Analyzed in the Environmental Impact Report	13-5
2. Environmental Review Process for Projects within the North City Specific Plan.....	13-7
3. Mitigation Monitoring and Reporting Program.....	13-8

Chapter 14: Fiscal Impact Assessment and Implementation Strategies

A. Introduction	14-3
B. Market Demand Overview.....	14-3
1. Assessment of Development Potential.....	14-3
2. Commercial Retail Potential	14-4
3. Residential and Mixed Use Potential.....	14-5
4. Employment Uses Potential	14-5
5. Hotel Potential	14-5
6. Visitor, Recreational, and Entertainment Potential	14-6
C. Fiscal Impact Assessment.....	14-7
D. Infrastructure Financing Strategy	14-8
1. Backbone Infrastructure Costs.....	14-8
2. Measures of Infrastructure Cost Burden	14-8
3. Potential Infrastructure Financing Mechanisms	14-10
E. Implementation Strategy	14-18

Appendices

- A. Community Participation Process
- B. Support Documents
- C. Transfer of Development Rights (TDR) Program and Sample TDR Ordinance
- D. Program Environmental Impact Report

CONTENTS**

Figures

1-1:	Specific Plan Area.....	1-4
1-2:	Coachella Valley MSHCP Conservation Areas.....	1-9
2-1:	City Setting within the Coachella Valley	2-3
4-1:	Open Space Framework.....	4-7
4-2:	Primary Gateway at Date Palm Drive.....	4-16
4-3:	Typical Secondary Gateway.....	4-18
5-1:	General Plan Roadway Classifications.....	5-4
5-2:	Specific Plan Roadway Classifications.....	5-9
5-3:	Typical Streetscape Plan View	5-10
5-4:	Palm Drive	5-12
5-5:	Date Palm Drive.....	5-13
5-6:	Valley Center Boulevard (outside MSHCP Conservation Area).....	5-15
5-7:	Valley Center Boulevard (within MSHCP Conservation Area)	5-15
5-8:	Varner Road (East of Date Palm Drive - outside MSHCP Conservation Area).....	5-16
5-9:	Varner Road (between Mountain View Road and Date Palm Drive - within MSHCP Conservation Area)	5-17
5-10:	Varner Road (between Palm Drive and Mountain View Road - within MSHCP Conservation Area)	5-17
5-11:	Mountain View Road (falls entirely within MSHCP Conservation Area)	5-18
5-12:	Edom Hill Road	5-19
5-13:	DaVall Drive (between Varner Road and Valley Center Boulevard)	5-20
5-14:	Landau Boulevard (between Valley Center Boulevard and I-10)	5-21
5-15:	North City Collector (outside MSHCP Conservation Area)	5-22
5-16:	North City Collector (within MSHCP Conservation Area)	5-22
5-17:	North City Local Street (outside MSHCP Conservation Area).....	5-23
5-18:	North City Local Street (within MSHCP Conservation Area)	5-23
5-19:	Trail and Bikeway Network	5-29
5-20:	Parkway along Interstate 10.....	5-32
6-1:	Existing and Recommended Wet Utilities for the Specific Plan Area.....	6-5
6-2:	Storm Drainage System Jurisdictions	6-9
6-3:	Existing and Recommended Dry Utilities for the Specific Plan Area	6-13
7-1:	Specific Plan Zoning Districts.....	7-5
7-2:	Storm Water Stream Lines and 100 Year Flood Line Map	7-9
7-3:	Significant Ridgelines and Hillside Overlay.....	7-11
7-4:	Required Distances from Significant Ridgelines	7-13
8-1:	Location Map for Building Exceeding 65 Feet in Height.....	8-12
8-2:	Maximum Building Height Stepback	8-13
9-1:	Setbacks and Garages for Individual Detached Single Family Dwelling Units	9-14
9-2:	Setbacks for Rowhouses	9-17
